**Confident Christianity Conference 18<sup>th</sup>-19<sup>th</sup> May** - Do you find the thought of talking about Jesus to friends, neighbours, classmates or colleagues daunting? Do you sometimes find yourself thinking "what if I say something that makes God look bad?" Or wondering what happens if they raise a challenging question or objection to which you're unable to respond. ("Aren't Christians bigoted and homophobic?"; "Isn't the Bible unreliable and full of errors?"; "Hasn't science buried God?"; "Isn't religion just a psychological crutch?" ... and the list goes on). Well, you're not alone! In the fast-paced, sceptical and secular culture in which we live, most of us find evangelism a bit daunting. That's why, along with other FIEC churches we have a Confident Christianity conference held here at **Cowplain Evangelical Church**. We will be bringing you a great line-up of speakers. They'll help you become confident and empowered to talk about Jesus more naturally, engage in evangelism that persuades people, and feel equipped to answer the questions of your friends. Put the date in your diary and plan to come to the whole weekend. More info and flyers coming soon.
